

## **Appendix: Freedom of Speech Annual Report Template (2023)**

As indicated in the December 14, 2018 and September 12, 2018 memos from the Ministry of Colleges and Universities, each of Ontario's publicly-assisted colleges and universities is to prepare an annual report on the implementation of a free speech policy. Please use this template; you may append additional documents or institution-specific information as you see fit.

The institutional Freedom of Speech Annual Report will be a public document and should respect privacy obligations. Please report on events or incidents that took place between **August 1, 2022** and **July 31, 2023**.

The reports are to be posted on the institution's website and submitted to the Higher Education Quality Council of Ontario (HEQCO) by **September 1, 2023**.

Please submit your institution's annual report and the link to its location on your website to [submissions@heqco.ca](mailto:submissions@heqco.ca). Please reach out to HEQCO at the same address with any questions.

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

There continues to be positive dialogue about fostering safe spaces and free speech on campus. The University continues to seek the participation of various members of the university community to sit on the *Free Expression Policy Committee*. This Committee is tasked to continue its review of the policy and institutional practices related to free speech.

Understanding and acceptance by members and guests of the Lakehead University community allows the effective implementation of the *Free Expression Policy* with little to no cost. Based on the collected data, there were zero (0) instances where a non-curriculum event did not proceed due to cost related and/or safety concerns.
