1. Explain why you are interested in pursuing the Course-Based Master of Science degree in Kinesiology at Lakehead University. Incorporate into this explanation a summary of your research interest(s), a description of how your background (academic, personal, skills, abilities, training, work and life experience, or certifications etc.) has influenced your decision to pursue a graduate degree, and a statement of your career goals.

2. Are you going to be living in Thunder Bay while completing the course-based Master of Science in Kinesiology degree?

Yes No

If yes, would you be interested in a Graduate Assistantship?

Yes No

Note: Graduate Assistant appointments may be offered to some full-time graduate students at a rate of ~\$10,400 over the Fall and Winter semesters. A regular appointment constitutes a maximum of 270 hours of work over the Fall and Winter terms averaging not more than 10 hours of work per week. Duties may include, but are not limited to: supervising laboratories, marking, consulting with students, demonstrations in class, holding office hours.

3. Are there any skills, abilities, or certifications (i.e., first aid/CPR, CSEP, NCCP, etc.) that may be applicable to your prospective Graduate Assistantship assignment in our undergraduate program?

4. Outline any other information that you feel is relevant to your submission.
