

Name: _____ Employee ID #: _____

Department: _____

Payroll Deduction Authorization for Parking

NOTE: This payroll deduction program is only available to full time faculty and staff who are on the Lakehead University payroll.

Employees renewing their parking must sign-up before August 25, 2023 to be eligible for payroll deduction.

This will authorize the Payroll Department of Lakehead University to make deductions for parking from each pay, as set up below.

Should I terminate my employment with Lakehead University, I agree to return my parking permit to the Operational Supervisor, Security Services.

I understand that I will have to reserve a parking permit on-line and fill out a new payroll deduction form before August 25, 2023.
