

CHECKLIST FOR 1ST YEAR STUDENTS – BACHELOR OF SCIENCE IN NURSING PROGRAM

DOCUMENT PACKAGE DEADLINE DATE: OCTOBER 20TH

Name: _____	Program: Bachelor of Science in Nursing Compressed _____ Collaborative _____ (check one)	Date: _____
---------------------------	--	---------------------------

All documents must at least cover the full academic year (Sep 8/20 to Apr 6/21). You may provide an existing document if it meets this criteria

****Provide photocopies of documents only – keep your originals in a safe and easily accessible location****

Suggestion: Scan & store all documents (each year) on your computer/memory stick ensuring they are secure but easily accessible at all times – they may be required by your placement agency when you are in your final year

***** Do not submit an incomplete package – complete package must include the 10 items listed below and this page *****

****** It's best to complete as many requirements as possible prior to arriving at school ******

1.	<input checked="" type="checkbox"/> when complete _____	Basic Life Support (BLS) Certification, CPR BLS or BLS Provider – Various providers. On-line certification not accepted – You must attend in person. Google “BLS Trainers” and your “hometown” and you should be provided with numerous trainers in your area. <u>First Aid, Oxygen Therapy and Airway Management are not required.</u> School of Nursing will apply a 2 year expiry to all BLS certificates.
2.	_____	AODA Training – log into http://mycourselink.lakeheadu.ca/ and click “Self-Registration” on the right under “Support”. Click “Accessibility and Health and Safety Training”. Follow the steps until it confirms you’ve been registered. At that point you can go to the course. Click “Content” on the bar at the top of the page. On the left, there will be a list of modules below “Table of Contents”, Click in to & complete the modules named “THREE – AODA – ACCESSIBILITY MODULE” AND “Nursing Undergraduate Students ONLY”. When training is complete print certificate (sign & date). Also print page that shows 100% complete. AODA & WHMIS training may not be available until the month of August.
3.	_____	WHMIS Certification - follow instructions provided above. Print certificate once completed. Name & Date will show on certificate.
4.	_____	Criminal Records Check with Vulnerable Sector Screening (CRC with VSS) [<i>Thunder Bay Police – PVSC, Level 3 for employment</i>], <ul style="list-style-type: none"> • If unable to get the CRC VSS done (under 18) you must complete the “Interim Criminal Offence Declaration” (under “Forms” on the Nursing Website) and submit with pkg. • If you turn 18 during the academic year you must apply for your CRC with VSS on that date and submit a copy when received. • Toronto Police Dept. has a specific application form that is required. Email clinicaldocs.nurs@lakeheadu.ca to obtain a copy of that form. Police Depts. other than Toronto require a “Nursing Records Check Letter” when applying for your CRC with VSS. That form is found on “MyInfo” under “Forms”. You must insert the date and your name. https://erpwp.lakeheadu.ca/home/student
5.	_____	Mask Fit Certificate – You can either find an agency that provides this service in your hometown (<i>N95 Respirator</i>) or choose to have this done on campus during the Sept/Oct timeframe. Sessions will be held for students who need to be tested and you will be emailed in advance of the dates for testing. <i>*note 3M 1870 has been discontinued and is not valid for your placements. See Nursing Website for list of valid masks.</i>
6.	_____	Official Immunization Record – Provide a photocopy of all required childhood immunizations up to present immunizations. Tetanus has a 10-year expiry date. If tetanus expires during the academic year you must have it done prior to deadline date. Tdap vaccination is recommended.
7.	_____	Serology Report for Hepatitis B, Measles, Mumps, Rubella (MMR) & Varicella (Chickenpox) - All students must have blood work done to show immunity levels to those listed above. A requisition to get the blood work done can be obtained from your Health Care Provider. If non-reactive (not immune) further action may be required. Two childhood vaccinations required for MMR. If non reactive to Varicella 2 vaccinations are required. See info provided on Nursing Website on non-reactive results.
8.	_____	2 Step TB (Tuberculosis) Skin Test - This requires 4 visits to the healthcare provider to complete. A form is provided on Nursing Website (<i>to be completed by your health care provider</i>) for your convenience, (under “Forms”). A previous 2-step test can be provided along with a current 1-step TB Skin test that will cover you for the academic year. If TB skin test is positive, see Nursing website for more info. TB Skin Test results recorded on immunization record are not accepted.
9.	_____	HSPnet Consent Form - Complete form (on Nursing website under “Forms”) & sign. Also see HSPnet Identified Purposes Summary for overview on collection, use & disclosure of personal health information.
10.	_____	WSIB Student Declaration Form – Complete form (on Nursing website under “Forms”), sign & date
11.	_____	FILL IN TOP PORTION OF THIS FORM AND ATTACH PAGE TO THE FRONT OF YOUR COMPLETED PACKAGE

Please do not use staples

****** For more in-depth information on the above go to Nursing website under Clinical Documentation/Documents ******

******* Deposit package in the Clinical Document Drop box (down from SN 1021E) or submit in person to SN 1021E – do not submit before September 15 *******
