

BUSINESS UNDERGRADUATE DECLARATION OF PROGRAM

This form is to be used by undergraduate students in the Faculty of Business Administration who are declaring their program major. Please review the **current** program requirements found in the Lakehead University Academic Calendar **prior** to declaring your program. If you have any questions about your program requirements, discuss your decision with your advisor.

The completed form with all required approvals must be submitted to Enrolment Services - Academic Advising, Records and Registration for final processing. Students will be notified via their Lakehead University email once the program change has been updated to their student transcript.
