Category: General;

Jurisdiction: Vice-President, Administration and Finance; Board Audit & Risk Committee;

Approval Authority: Board of Governors;

Established on: December 21, 2016 (approved by the Executive Committee on behalf of the Board);

Amendments: March 7, 2018; February 24, 2022; November 24, 2022, June 2, 2023 (required by legislation).

1. Preamble

(1.1) Lakehead University recognizes that sexual and gender-based violence, specifically violence against women and girls, is one of the most prevalent and pervasive human rights violations in the world. Sexual and gender-based violence is a violation of the fundamental rights to human dignity and bodily autonomy and is a form of political violence designed to prevent survivors from fully participating in the economic, social, cultural, and political life of the community. As a form of political violence, sexual and gender-based violence in the Canadian context is rooted in the history of colonialism. Therefore, Indigenous peoples, specifically Indigenous women and girls, are disproportionately impacted by sexual and gender-based violence. Sexual and gender-based violence prevention and response initiatives must be grounded in anti-colonial and anti-racism practices.

(1.2) Lakehead University recognizes that sexual and gender-based violence is rooted in the use and abuse of power, and, therefore, persons with less institutional and societal power are disproportionately impacted, including women, Indigenous peoples, members of racialized groups, persons with disabilities, and members of 2SLGBTQ+ groups. Therefore, acts of sexual and gender-based violence may also be acts of sexism, racism, ableism, homophobia,

transphobia, and their intersections. Sexual and gender-based violence prevention and response initiatives must be grounded in the intersections of sexual and gender-based violence and human rights.

(1.3) Lakehead University recognizes that gender-based violence is a form of discrimination that may include sexual, physical, psychological, or economic harm inflicted against persons because of their gender, gender identity, or gender expression. Therefore, some incidents of gender-based violence may be resolved under the Lakehead University Human Rights Policy and Procedures.

(1.4) Lakehead University is committed to building and fostering a University community where all members are free to fully participate in learning, teaching, research, and service. Every member of the Lakehead University community, whether a student, employee, or volunteer, is responsible for building and fostering a safe and healthy environment that is free from sexual and gender-based violence. Lakehead University recognizes that all forms of sexual and gender-based violence are violations of the values and norms of the Lakehead University community as well as violations of federal and provincial laws, including the *Criminal Code of Canada* and the *Ontario Human Rights Code*. Sexual and gender-based violence violates the fundamental right of persons to fully participate in the economic, social, cultural, and political life of the community, including the right to equal treatment in education, employment, and housing.

(1.5) Lakehead University recognizes that every person who experiences an incident of sexual and gender-based violence has the right to a remedy under this Policy, including the right to accommodations, support services, and a complaints resolution process; and

(1.6) The purpose of this Policy and the associated Sexual and Gender-based Violence Response Procedures is to set out Lakehead University's commitment to supporting a comprehensive sexual and gender-based violence prevention and response system, including initiatives to prevent and respond to sexual and gender-based violence against any member of the Lakehead University community. This commitment includes:

(a) supporting the Office of Human Rights and Equity as a department dedicated to preventing and responding to sexual and gender-based violence;

(b) supporting a sexual and gender-based violence prevention initiative, including a comprehensive education and training program that emphasizes the rights and

responsibilities of students, employees, and volunteers with respect to sexual and gender-based violence; and

(c) supporting a sexual and gender-based violence response initiative, including a comprehensive complaints resolution process that guarantees every member of the University community who experiences sexual and gender-based violence with accommodations, supports, and remedies.

(4.5) The Office of Human Rights and Equity is not required to notify the Respondent where a person affected by sexual and gender-based violence seeks accommodations or support services.

5. Interim Measures

(5.1) The University may implement interim measures where the University concludes that such measures are necessary to protect the health, safety, or security of another University Community Member, regardless of whether a report of sexual and gender-based violence is referred to the alternative or formal resolution process under these Procedures. Interim measures may be implemented at any time after a report is received by the Office of Human Rights and Equity.

(6.1) Where appropriate, a report of sexual and gender-based violence may be resolved through an alternative resolution process. The purpose of the alternative resolution process is to resolve the matter outside of a formal investigation and adjudication process. An alternative resolution process does not require the Complainant and Respondent to meet face-to-face. Rather, it is a facilitated process to arrive at an agreement between the parties to resolve the matter, which may include imposing interim measures as set out under Section 5 of these Procedures.

(6.2) The Director shall determine, in collaboration with the Complainant, whether an alternative resolution process is appropriate in the circumstances. The Director, in their sole discretion, may determine that an alternative resolution process is not appropriate where the University has a duty to investigate the incident under the *Occupational Health and Safety Act*, RSO 1990, c.O.1, the *Code*, or other applicable laws.

Roles and Responsibilities of Panel

(8.3) The roles and responsibilities of the Panel are:

- (a) to review the allegations as set out in the complaint;
- (b) to implement interim measures, where appropriate;
- (c) to appoint an investigator to investigate the complaint;
- (d) to conduct a hearing(s) to determine whether sexual and gender-based violence occurred; and
- (e) to implement consequences or measures, where appropriate.

No Conflict of Interest

(8.4) No Panel member shall have a conflict of interest with the Complainant or Respondent, which could raise a reasonable apprehension of bias. A conflict of interest is where a Panel member has a personal or private interest with respect to their relationship with the Complainant or Respondent, including a romantic or familial relationship, a relationship of financial dependence (i.e. direct supervisor, grant holder), or a relationship borne out of a civil or criminal dispute. A current or previous collegial relationship without a personal or private interest, does not necessarily constitute a conflict of interest.

(8.5) All Panel members must declare any potential conflict of interest prior to the review of the complaint. The Chair shall determine whether any declaration constitutes a conflict of interest for the purposes of this Policy. If the Chair determines that a member is in a conflict of interest, the member shall recuse themselves, and the Director shall select another member of the Pool.

Right to Challenge Composition of Panel

(8.6) The Complainant or Respondent has the right to challenge the composition of the Panel where they believe that one or more members of the Panel are in a conflict of interest as set out in Section 8.4. The Complainant or Respondent must submit a challenge, in writing, to the Director within five (5) business days of receiving the Notice of Complaint of Sexual and Gender-based Violence as set out in Section 9.8. The Director, in their sole discretion, shall determine whether to adjust the Panel composition.

9. Review of Complaint

(9.1) Upon receipt by the Director, the Panel shall review the complaint and determine whether the allegations as set out in the complaint fall within the jurisdiction of the Policy. Where the Panel determines that the allegations as set out in the complaint, if proven, would constitute sexual and gender-based violence under the Policy, the complaint shall be accepted for filing.

Panel May Sever Complaint

(9.2) The Panel may sever any of the allegations from the complaint if the Panel determines that an allegation, if proven, does not constitute sexual and gender-based violence as defined under the Policy.

Complaint Rejected for Filing

(9.3) Where the Panel determines that any or all the allegations as set out in the complaint do not fall within the jurisdiction of the Policy, the Panel shall refer the Complainant to the appropriate University policy or procedure.

Vexatious Complaint

(9.4) A complaint that is frivolous, malicious, vexatious, retaliatory, or made in bad faith (a “Vexatious Complaint”) is a violation of the Policy and these Procedures. A determination that a complaint is a Vexatious Complaint is an extraordinary remedy that shall be made only in extraordinary circumstances.

(9.5) The Panel, at any time during the formal resolution process, may determine that a complaint is a Vexatious Complaint in the following circumstances:

- (a) where there are issues in the complaint have already been determined by the Panel;
- (b) where it is obvious that a complaint cannot succeed, where the complaint will lead to no possible good, or where a reasonable person could not reasonably expect to receive relief as a result of the complaint;
- (c) where a complaint is filed for an improper purpose, including the harassment or oppression of other parties, other than for the purpose of asserting legitimate rights.

(9.6) Where the Panel determines that a complaint is a Vexatious Complaint, the Panel may refer the matter to the appropriate University proceeding, such as that under the Student Code of Conduct or Employee Code of Conduct.

Complaint Accepted for Filing

(9.7) Where the Panel determines that any or all of the allegations as set out in the complaint fall within the jurisdiction of the Policy, the Panel shall:

- (a) notify the Complainant and Respondent, in writing, that a complaint of sexual and gender-based violence has been accepted for filing under the Policy (“Notice of Complaint of Sexual and Gender-based Violence”);
- (b) implement interim measures, where appropriate; and

(c) appoint an investigator to investigate the allegations as set out in the complaint.

Notice of Complaint

(9.8) The Notice of Complaint of Sexual and Gender-based Violence shall include:

(a) a description of the allegations of sexual and gender-based violence including any relevant dates, times, and locations;

(b) the identity of the Complainant and Respondent;

(c) a statement that the Respondent has the right to provide a response to the allegations as set out in the complaint;

(d) a statement that the Complainant and Respondent has the right to have a support person

or union representative, where applicable, at any proceeding; and

(e) the names and positions of the Panel members, including a statement that the composition of the Panel may be challenged under Section 8.6.

Right to Determine Process

(9.9) A Complainant retains control over whether to proceed to a formal resolution process under the Policy and has the right to withdraw the complaint at any time. To the greatest extent possible, the University will respect the person's choice not to proceed with a formal complaint or request that the University not investigate. Notwithstanding, the University, at its sole discretion, reserves the right to initiate a formal resolution process if there is an imminent or material risk to the safety and security of a University Community Member, or if the University has a duty under the *Occupational Health and Safety Act*, RSO 1990, c.O.1.

Retaliation

(9.10) No person shall retaliate against another person because that person:

(a) files a complaint or might file a complaint;

(b) is named in a complaint or might be named in a complaint;

(c) provides help or evidence in a complaint or might provide help or evidence in a complaint; or

(d) participates in an investigation or adjudication process in the complaint or might

participate in an investigation or adjudication process in the complaint.

(9.11) Retaliation may include, but is not limited to:

- (a) negative treatment, such as intimidation or coercion;
- (b) imposition of burdens or obligations, such as academic or employment-related penalties; or
- (c) withholding of benefits or opportunities, such as academic or employment-related opportunities.

(9.12) In order for retaliation to be founded, a person against whom allegations of retaliation are made must have knowledge of the circumstances as set out in Section 9.8.

(9.13) The Panel may, at any time during the formal resolution process, determine retaliation occurred. Where the Panel determines that retaliation occurred, the Panel may refer the matter to the appropriate University proceeding, such as that under the Student Code of Conduct or Employee Code of Conduct.

10. Investigation of Complaint

Appointment of Investigator

(10.1) The Panel shall appoint a person to investigate the allegations set out in the complaint (the “Investigator”). The Investigator may be internal or external to the University and may include the Director or their designate. The Panel may engage internal or external counsel for an assessment of whether the allegations as set out in the complaint fall within the jurisdiction of the Policy.

(10.2) The Panel shall determine the terms of reference for the investigation.

Investigator

(10.3) The Investigator shall be independent of the Panel and shall:

- (a) have the requisite skills and training to investigate allegations of sexual and gender-based violence; and
- (b) have no conflict of interest with:

- (i) the Complainant;
- (ii) the Respondent; or
- (iii) any of the Panel members adjudicating the complaint.

Notice of Appointment of Investigator

(10.4) The Panel shall notify the Complainant and Respondent, in writing, of the appointment of an investigator (“Notice of Appointment of Investigator”). The Notice of Appointment of Investigator shall include the name and contact information of the Investigator.

Rights of the Parties

(10.5) The Complainant or Respondent has the right to choose not to participate in the investigation process. The choice not to participate in the investigation may prejudice the position of the party making that decision. The Investigator may proceed with the investigation without the participation of one or both of the parties and shall indicate this in the investigation report.

(10.6) The Complainant, Respondent, and any witnesses have the right to have present the following person(s) at any meeting with the Investigator:

- (a) a support person;
- (b) the University Ombudsperson; or
- (c) a union representative, if applicable;

and shall be informed of that right by the Investigator in advance of any meeting.

(10.7) The Complainant, Respondent, and any witnesses have the right to a reasonable expectation of privacy with respect to their personal information. All parties to an investigation, including any support person set out in Section 10.6, are bound by the confidentiality provisions including the consequences of disclosing personal information to any other party.

Collection and Disclosure of Evidence

(10.8) All interviews conducted by the Investigator shall be conducted in a fair, impartial, and professional manner, applying a trauma-informed approach. The Investigator shall not ask the Complainant, or any other party, questions with respect to their sexual expression or sexual

history.² In the event that the Complainant, or any other party, is asked questions with respect to their sexual expression or sexual history by the Investigator, they should inform the Chair of the Panel as soon as possible.

(10.9) The Investigator shall conduct interviews with the Complainant and Respondent and collect any other evidence that, in the opinion of the Investigator, is relevant to the investigation.

(10.10) The Investigator shall conduct interviews with any witnesses and collect any evidence that, in the opinion of the Investigator, is relevant to the Investigation.

(10.11) Any party to an investigation, including the Complainant, Respondent, and any witnesses, may submit additional evidence to the Investigator. The Investigator shall include this evidence in the investigation if, in the opinion of the Investigator, it is relevant.

Production of Evidence

(10.12) Any party to an investigation, including the Complainant, Respondent, and any witnesses, as well as the University, shall produce any document requested by the Investigator that, in the opinion of the Investigator, is relevant.

Investigation Report

(10.13) The Investigator shall prepare a written report of the investigation (the “Investigation Report”). The Investigation Report shall include:

- (a) any statements of the Complainant, Respondent, and any witnesses;
- (b) any additional evidence including correspondences, documents, and media;
- (c) any relevant policy provisions or laws; and
- (d) a finding of the investigator including reasons for that finding, if set out in the Panel’s terms of reference for the Investigator.

(10.14) The Investigator shall submit the Investigation Report to the Chair of the Panel and the Director.

² *O. Reg. 131/16: Sexual Violence at Colleges and Universities, at s. 14.*

(10.15) The Investigation Report as set out in Section 10.13 is privileged, and, therefore, the Complainant and Respondent do not have the right to the Investigation Report in its entirety. The Panel shall provide the Complainant and Respondent with any evidence the Panel intends to rely on for its decision as part of the adjudication process under Section 11.

(10.16) The Panel shall notify the Complainant and Respondent, in writing, when the investigation is completed.

(10.17) The University shall endeavour to complete the investigation process, including the Investigation Report, within sixty (60) business days of the date the Investigator is appointed by the Panel. Timelines may be extended in extraordinary circumstances, such as the illness of the Investigator or any of the parties to the investigation.

11. Adjudication of Complaint

(11.1) The Chair of the Panel shall serve as the point of contact between the Panel and the Complainant and Respondent. The Chair may request that the Director communicate with the parties on behalf of the Panel.

Hearings

(11.2) The Panel shall hold hearings to adjudicate the complaint. The purposes of these hearings are:

- (a) to review the evidence contained in the Investigation Report;
- (b) to adduce any evidence not collected as part of the investigation, if any;
- (c) to assess the credibility of the Complainant, Respondent, or any witnesses, where appropriate; and
- (d) to decide whether sexual and gender-based violence occurred.

(11.3) All hearings shall be held in private, either in-person or by video conference.

(11.4) The Panel shall hold hearings in a manner that the Complainant and Respondent do not appear face-to-face with one another unless the parties agree to a face-to-face hearing. Neither the Complainant nor the Respondent have the right to appear at a hearing of one another, or at the hearings of other witnesses.

(11.5) The Panel shall determine the nature of the proceedings at any hearing including, but not limited to, the following:

- (a) the forum for the hearing;
- (b) the parties and witnesses who appear at a hearing; and
- (c) the weight given to any additional evidence adduced at a hearing.

(11.6) The Chair may remove any person from a hearing who acts in contempt of the Panel.

Preliminary Hearing

(11.7) The Panel shall hold a preliminary hearing to:

- (a) determine whether to instruct the Investigator to collect any additional evidence to that contained in the Investigation Report; and
- (b) determine whether to request the Complainant, Respondent, or other witnesses to appear at subsequent hearings of the Panel.

Right Not to Appear at Hearing

(11.8) The Complainant and Respondent have the right not to appear at a hearing of the Panel. Where either party chooses not to appear, the Panel may proceed without their participation and rely on any previous evidence provided by that party, if any.

Right to Have Support Persons at Hearing

(11.9) The Complainant and Respondent have the right to have present at any hearing of the Panel:

- (a) a support person;
- (b) the University Ombudsperson; or
- (c) a union representative, where appropriate,

and shall be informed of that right by the Panel in advance of any hearing. All support persons as set out in this section are bound by the confidentiality provisions under these Procedures, including any disciplinary measures for breaches of confidentiality.

Right to Notice of Hearing

(11.10) Where the Panel requests that a person appears at a hearing, the Panel shall provide the person with written notice of the following:

- (a) the nature and format of the hearing;
- (b) the date, time, and location of the hearing;
- (c) the right of the person to have a support person present at the hearing; and
- (d) the right of the person not to participate in the hearing and any potential consequences for not participating.

(11.11) The Panel shall make all reasonable efforts to ensure that the person is able to appear at the hearing. Where the person does not respond to the notice to appear at the hearing after five (5) business days of receiving the notice, the Panel may proceed with the adjudication process without the participation of that person.

Right to Know Evidence

(11.12) The Complainant and Respondent have the right to know the evidence that the Panel intends to rely on for its decision, prior to a decision being made.

(11.13) Prior to making a decision, the Panel shall provide the Complainant and Respondent access to the evidence, in print or electronic form, that the Panel intends to rely on for its decision, including evidence collected as part of the investigation and adjudication processes (i.e. at hearings of the Panel). The Panel, in its sole discretion, reserves the right to provide the parties with written summaries of witness statements.

(11.14) The Panel, in its sole discretion, reserves the right to not provide the parties with any evidence that the Panel does not intend to rely on for its decision, including evidence the Panel deems to be irrelevant.

Right to Respond to Evidence

(11.15) The Complainant and Respondent have the right to respond to the evidence that the Panel intends to rely on for its decision, prior to a decision being made.

(11.16) Prior to making a decision, the Panel shall provide the Complainant and Respondent with an opportunity to respond to the evidence the Panel intends to rely on for its decision. Upon

review of the evidence provided under Section 11.13, the Complainant and Respondent may provide the Panel with a written response to that evidence, including any additional evidence. In special circumstances, the Panel may permit a party to provide a response to the Panel in person.

(11.17) The Panel shall notify the Complainant and Respondent, in writing, of their right to respond to the evidence. The parties must submit a written response to the Panel within the deadline provided by the Chair. Where a party does not submit a response within the deadline provided by the Panel, the Panel may continue the adjudication process without the response of that party.

Decision

(11.18) Upon completion of the hearing(s), the Panel shall consider all of the available evidence, including the Investigation Report, and determine whether sexual and gender-based violence occurred (the “Decision”). The Decision of the Panel shall be based on the civil standard of proof: the balance of probabilities.

(11.19) The Panel shall prepare a written decision, including reasons for the Decision. The Chair shall send a copy of the Decision to the Director. The Director shall send a copy of the Decision to the Complainant and Respondent.

Timeline

(11.20) The Panel shall endeavor to complete the adjudication process, including the Decision, within forty-five (45) business days of the date the Panel receives the Investigation Report.

Measures and Consequences

(11.21) Where the Panel decides that sexual and gender-based violence did not occur, the Panel shall not impose any measures or consequences against the Respondent. The Panel may maintain interim measures if, in the opinion of the Panel, those measures protect the health, safety, or security of any University Community Member.

(11.22) Where the Panel decides that sexual and gender-based violence occurred, the Panel may impose measures and consequences against the Respondent subject to Section 11.24.

(11.23) Where the Respondent is a student or volunteer, the Panel may impose measures and consequences. The Panel may share their findings with Student Affairs or the Respondent's supervisor, where appropriate.

(11.24) Where the Respondent is an employee, the Panel shall not impose any measures or consequences under the Policy. The Panel shall refer the Decision to the Respondent's supervisor. Upon receipt of the Decision of the Panel, the Respondent's supervisor, in consultation with Human Resources, shall impose appropriate measures and consequences under the appropriate University policy, contract, or collective agreement.

(11.25) Where the Respondent is both a student and an Employee, the Panel shall impose measures and consequences with respect to the Respondent's status as a student and shall refer the Decision to the Respondent's supervisor for measures and consequences with respect to their status as an employee.

(11.26) The Panel shall consider the following principles when imposing measures and consequences:

- (a) to put the Complainant into the position they would have been before the sexual and gender-based violence occurred;
- (b) to protect the health, safety, and security of the Complainant or any other University Community Member;
- (c) to prevent future occurrences of sexual and gender-based violence against the Complainant or any other University Community Member; and
- (d) to promote a healthy, safe, and secure environment that is free from sexual and gender-based violence for all University Community Members.

(11.27) The Panel shall consider the following factors when imposing measures and consequences:

- (a) the severity of the incident;
- (b) the relationship of power and authority between the Complainant and Respondent, if any;
- (c) the impact of the sexual and gender-based violence on the Complainant's emotional, psychological, and physical health; and

(d) any aggravating and mitigating factors.

(11.28) Measures and consequences may include, but are not limited to:

- (a) mandatory attendance at education and training workshop(s);
- (b) re-assignment of course sections;
- (c) relocation of room within residence;
- (d) suspension from class or placement attendance;
- (e) trespass from the University campus; or
- (f) suspension or expulsion.

Disclosure of Measures and Consequences

(11.29) The Complainant has the right to know the Decision of the Panel but not the details of any measures or consequences imposed against the Respondent. The Director reserves the right, after consulting with the supervisor, to disclose disciplinary actions or consequences, should they deem that disclosing that information may protect the health, safety, or security of the Complainant.

12. Remedies

(12.1) Where the Panel decides that sexual and gender-based violence occurred, the Complainant may request that the University provide remedial measures. Remedial measures may include, but are not limited to:

- (a) extension of academic program or course of study;
- (b) re-assignment of academic or employment supervisor; or
- (c) relief in academic fees.

(12.2) Where the Panel decides that sexual and gender-based violence did not occur, the Respondent shall not be entitled to request that the University provide a remedy.

(12.3) The Complainant must submit a request for a remedy, in writing, to the Director no later than thirty (30) business days after the date of the Decision of the Panel.

(12.4) The decision to approve or deny the remedy, in whole or in part, shall be made by:

- (a) the Vice-President of Administration and Finance or their designate, where the applicant is an employee or volunteer; or

(b) the Provost and Vice-President (Academic) or their designate, where the applicant is a student,

and is not subject to an appeal under Section 13.

(12.5) The decision to approve or deny the request for a remedy shall be provided to the Complainant in writing.

(12.6) Neither the Complainant, Respondent, nor any person involved in the complaint or process shall be entitled to compensatory, punitive, or aggravated damages.

13. Appeal Process

Appeal

(13.1) A Complainant or Respondent may appeal a Decision of the Panel in accordance with this Section.

(13.2) The right of the Complainant or Respondent to appeal a Decision of the Panel is not without limitation. An appeal is not an opportunity to re-adjudicate the complaint, but rather an opportunity to correct any procedural errors made during the adjudication process.

(13.3) An appeal must meet the following criteria:

- (a) the appeal is of a Decision of the Panel;
- (b) the appeal is made by the Complainant or Respondent; and
- (c) the appeal is made in writing within the time limit set out in Section 13.5.

(13.4) The appeal must be submitted to the Director, in writing, and include:

- (a) the contact information of the Appellant;
- (b) the reasons for the appeal including any procedural errors made during the adjudication process; and
- (c) any additional evidence that could not have been available during the adjudication process, if any.

Time Limit

(13.5) The appeal must be made no later than thirty (30) business days after the date of the Decision is sent to the parties.

Notice and Referral of Appeal

(13.6) Upon receipt of the appeal, and within five (5) business days, the Director shall:

- (a) notify the other party to the complaint that an appeal has been made including copy of the appeal; and
- (b) refer the appeal to the General Counsel of the University.

Appeal Board

(13.7) Upon receipt of the appeal, the General Counsel shall convene a meeting of the Appeal Board. The Appeal Board is composed of the following three (3) members:

- (a) the General Counsel or their designate, who shall serve as Chair;
- (b) the Vice-President of Administration and Finance or their designate; and
- (c) the Provost and Vice-President (Academic) or their designate.

Decision of Appeal Board

(13.8) The Appeal Board may grant an appeal based on the following factors:

- (a) there is clear and convincing evidence of a procedural error made during the adjudication process that resulted in actual prejudice to the party making the appeal; or
- (b) there is new evidence or arguments that were not, and could not, have been made during the adjudication process that would likely have resulted in a different Decision.

(13.9) The Appeal Board may reject an appeal based on the following factors:

- (a) the appeal is based on evidence or arguments that were already made to the Panel during the adjudication process;
- (b) the appeal is based on evidence or arguments that were not made but could have been made, to the Panel during the adjudication process or such evidence or arguments would likely not have changed the Decision;
- (c) the appeal is based on a disagreement with a finding of fact made by the Panel including findings of credibility;
- (d) the appeal is based on mere speculation of a procedural error or does not present clear and convincing evidence of the connection between a procedural error

and actual prejudice to the party making the appeal; or

(e) other grounds as determined by the Appeal Panel in accordance with procedural fairness and natural justice.

(13.10) The Appeal Board may request that either party provide additional information to make a decision.

(13.11) Where the Appeal Board grants the appeal, the Appeal Board shall make one of the following decisions:

(a) to uphold the Decision of the Panel; or

(b) to overturn the Decision of the Panel and substitute a new decision;

(13.12) The decision of the Appeal Board is final.

Notice of Decision

(13.13) The General Counsel shall notify the parties, in writing, of the decision of the Appeal Board with a copy to the Director.

Timelines

(13.14) The Appeal Board shall complete the appeal process within thirty (30) business days of the date the Board receives the appeal.

14. Reporting

(14.1) The Office of Human Rights and Equity shall provide, on an annual basis, the Board of Governors of the University a report that contains the following information:

(a) the number of times supports, services and accommodations relating to sexual violence are requested and obtained by students enrolled at the University, and information about the supports, services and accommodations;

(b) any initiatives and programs established by the University to promote awareness of the supports and services available to students;

(c) the number of incidents and complaints of sexual violence reported by students, and information about such incidents and complaints; and

(d) the implementation and effectiveness of the Policy.³
