

Collaborative Graduate Program – Specialization in Gerontology

APPLICATION FORM

The Gerontology Program at Lakehead University offers a specialization in Gerontology to students accepted to Graduate Programs the following:

- Education
- Health Sciences
- Kinesiology
- Psychology
- Public Health
- Social Work
- Sociology

Students must complete the requirements for the Masters Degree in their program of choice, in addition to Gerontology 5010, Gerontology 5710, and a thesis or research project with a gerontological focus. For further regulations, check the current Calendar. The Gerontology Graduate Committee will assess your application based on the information you provide below. If you are interested in being considered for this specialization, please complete this form and submit it with your Graduate Program Application to the Faculty of Graduate Studies.
