Note, Lakehead University offers Year Three of the Honours Bachelor of Social Work program at both of its campuses: Thunder Bay and Orillia. If you would like to submit an application to both campuses, you must select each program separately. Selected programs will be added to 'Program Choices'. Your OUAC application fee includes up to three choices.

If you are planning to submit an application to both campuses, make sure that your preferred campus is your number one choice. Note you may be assigned to either campus based on your overall application score.

You must complete this application by the deadline date or your file will be incomplete.

For Applicants Who Are Not Currently Studying at Lakehead University:

Please note that when applying to both campuses you may be assigned either campus based on your overall application score.

NOTE: Campus assignments are final and non-negotiable.
