Section 1
Description of the Proposed Calendar Change: Remove Pre-requisite from NRMT course; pre-requisite no longer offered
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
1 NRMT3216 (formerly FORE3216) Forest Fisheries was removed from the calendar in 2007. It has since appeared as a pre-requisite for NRMT4252 (being offered again as of F2012). Since the course is no longer available, it makes sense to remove it as pre-requisite.
