## **NORTHERN ONTARIO SCHOOL OF MEDICINE JOINT SENATE COMMITTEE FOR NOSM**

Report to Lakehead and Laurentian University Senates

From: Joint Senate Committee for NOSM

September 2012

---

The Joint Senate Committee for NOSM met on April 5, 2012 and June 11, 2012. At the Joint Senate Committee meetings revisions to the Calendar: NOSM Admissions Policy were approved and forwarded on to the Senates from the April 5, 2012 meeting.

After approval at the Lakehead University Senate meeting of April 13, 2012 it was noted that the unsubstantial changes (of April 5, 2012) to the Admissions Policy calendar were based upon an “old” version of the calendar Admission Policy. At this time the Senate needs to approve with the corrected version dated June 11, 2012 for both Senates.

The error was noticed prior to being put on the item on the Laurentian University Senate agenda.

### **Background/Rationale:**

- Transfer revision: Due to the integrated nature of the curriculum.
- Other changes were formatting and removing the specific date of October 1.
- Stage five included correcting the number of offers sent from 54 to 64.
- Track change document included for information.
