Are you passionate & ambitious? Looking for an opportunity to grow your career? You can be involved in making a difference in a positive and professional environment where you will be supported to excel each and every day.

London Borough of Barking and Dagenham have great career opportunities for Qualified Social Workers. In 2019 it was awarded the London Government Organisation of the year award and has gained the Silver Investors in People Accreditation evidencing the opportunities on offer for successful applicants.

Situated in East London, Barking & Dagenham presents you with great opportunities to live, work and travel and there is plenty to explore and experience with the excitement of Central London only a short distance

What's in it for you?

A Flexible Package Includes the following:

- 3-year sponsorship
- Tier 2 Work Visa
- Paid relocation package (to cover expenses for you and your family)
- Flexible working conditions
- Generous health benefits and leave program
- Professional development training
- Opportunities for career advancement

About the roles:

- With appropriate supervision assess and provide services to children and families in need within the framework of relevant legislation, national and local policy guidance.
- Undertake high quality, analytical single assessments within statutory timescales, which are reflective of presenting concerns and responsive to identified unmet needs and/or risks.

- Ensure that services are efficiently and effectively provided, liaising as necessary with other Council Divisions, Health, Education, Police, and other statutory, independent, and voluntary sector providers.
- Working within the London Child Protection Procedures to undertake key work responsibilities for children subject to a child protection plan and children looked after by the Local Authority who are deemed to be at risk.
- Assess, advise and support children and families in need alongside Health, Education and Targeted Family Support colleagues to address unmet need and prevent statutory safeguarding intervention.
- Working with Care Planning regulations 2010, and in accordance with the *Children and Families Act 2014*, to execute statutory duties to children in care.

About you:

- Degree in Social work (BSW, MSW)
- At least 2-years post qualification experience of working with Children in a statutory setting
- Equivalent education and experience considered
- Must be eligible for registration with Social Work England

Take your career in a new direction and gain international social experience in a truly vibrant and inspiring environment.
