You will then be brought to the Program Choices screen. You are encouraged to add a second choice of program in case you are not admitted to Year 3 of the HBSW program. Or if you are wishing to add Year 3 of the HBSW program from the other campus, you would just click on Add Program at the top or Add Program from the bottom of the page. You will then be brought back to the Select Program screen and you will need to follow the steps above.

If you have more than one choice on this application, you will need to Order Your Choices. So Year 3 of the HBSW program would be your first choice and then the alternate program would be your second choice. If you are adding both campuses on your application, you will need to rank what campus you would prefer for Year 3. Please ensure that this choice matches the information which you include on the supplemental application package. (See example below.)

Once you have ordered your choices click Save and then click on Proceed to Personal Information at the bottom of the page.
