

Co-op Salary Survey

Transparency is critical to both students and employers as a way of ensuring fair and equitable wages are paid for jobs. The Co-op Salary Survey attempts to provide information on compensation given to Lakehead University co-op students during the 2025 calendar year. The following table does not encompass all programs, as some programs did not have co-op students.

Faculty	Program	2025 MIN (\$)	2025 AVG (\$)	2025 MAX (\$)
Honours Bachelor of Kinesiology	Kinesiology	19.00	19.25	19.50
