Dear Senators,

The Senate Organization Committee met today to discuss changes to the Terms of Reference for Senate Undergraduate Scholarships and Bursaries and the membership of the Senate Undergraduate Studies Committee. Both have been forwarded to Senate for consideration. The Senate Organization Committee brings the following motions to Senate:

- **MOVED that the Senate Undergraduate Studies Scholarships and Bursaries Committee proposed Terms of Reference be approved.**
- **MOVED that the revisions to the membership of the Senate Undergraduate Studies Committee be approved.**

In order to complete this year's portion of the three-year cyclical review of Senate Committees' Terms of Reference, Senate Org plans to meet to discuss the Terms of Reference for the Graduate Studies Committee in the near future.

Sincerely,

Rachel Warburton
