Code Environmental Sustainability 3013	**Code** Environmental Sustainability 3013
Title Field School in Environmental Sustainability I	**Title** Field School in Environmental Sustainability I
Description Students will participate in a five to seven day excursion or a series of day excursions to examine ecological, socio-economic and cultural characteristics of the environment. Sites visited will vary depending on the central theme chosen for the course. The field component is followed by a classroom component involving identification and assessment of concepts and issues arising from the field excursion, oral pesentations and discussions, and the submission of a research essay.	**Description** Students will participate in a five to seven day excursion or a series of day excursions to examine ecological, socio-economic and cultural characteristics of the environment. Sites visited will vary depending on the central theme chosen for the course. The field component is followed by a classroom component involving identification and assessment of concepts and issues arising from the field excursion, oral pesentations and discussions, and the submission of a research essay.

CreditWeight 0.5	**CreditWeight** 0.5
Rationale	**Rationale** *There have been many queries from students interested in experiential learning/hands-on training as well as community members who are interested in taking field schools out of sheer interest. Removing the registration restriction (only for ENSU majors) and opening admission to the course up to everyone would increase enrolment. Increasing enrolment would help the course run at less expense through cost sharing; this course has a miscellaneous fee for*

	travel and accommodation.
Requiredor Elective	**Requiredor Elective**
Cross List	**Cross List**
Offering	**Offering**
Prerequisites Environmental Sustainability 2033	**Prerequisites** Environmental Sustainability 2033 *or permission of instructor.*
Corequisites	**Corequisites**
Notes An additional fee (see Miscellaneous Fees) is required for this course (to cover travel and accommodation costs). May only be taken by Environmental Sustainability majors.	**Notes** An additional fee (see Miscellaneous Fees) is required for this course (to cover travel and accommodation costs). ~~May only be taken by Environmental Sustainability majors.~~
