1.	New Degree	BES/BEd (Geography Major) I/S 5 yr - Five Year Non-Direct Entry Program
----	------------	---

Justification
 Creation of non-direct degree programs provide students with the option to stay in an Environmental focus program when they haven't kept the 70% average requirement of the HBES/BEd or HBESc/BEd programs.

Degree Details

BES/BEd (Geography Major) I/S 5 yr - Five Year Non-Direct Entry Program
Start Term: F-W 2014-15
End Term: No Specified End Date

<u>Required Information</u>
Institution Unit Faculty of Education
Degree Type BS4ED
Major
Minor
Specialization
Rationale The rationale for this degree is to provide students a 5-year bachelor degree in situations when they have been unable to achieve the 70% average required of the honours degree program. Without these options, students are being transferred to other non-direct entry programs. It is preferable to provide students the with an environmental focus option.
Requirements Bachelor of Environmental Studies, Bachelor of Education (Geography Major) i/S 5 Yr Five Year Non-Direct Entry Program The program requirements are the same as for the HBESc/BEd (Geography Major) i/S program. However, in order to remain in a Concurrent Education program, students must maintain at least an overall 65% cumulative average in all courses (with a 60% minimum major average) *See Department of Undergraduate Studies in Education, Academic Regulation #1. ** See Department of Undergraduate Studies in Education, Academic Regulation 32 regarding the average in the major and teachables.

<u>Budgetary Considerations</u>
Student Enrolment This change should encourage retention.
Student Enrolment Other Units This change should encourage retention.
Additional Resources The resources needed are already in place.
Teaching Loads The teaching loads will not change.
TeachingSupport Services Needed support services are already in place.
Outside Support No outside support required.

2.	New Degree	BESc/BEEd (Geography Major) I/S 5 Yr - Five Year Non-Direct Entry Program
----	------------	---

Justification

Creation of non-direct degree programs provide students with the option to stay in an Environmental focus program when they haven't kept the 70% average requirement of the HBES/BEEd or HBESc/BEEd programs.
