Rationale (21June2013 Update title of administrative office and officer.)	Rationale (21June2013 Update title of administrative office and officer 19Nov13. Updates as per Dr. Joey Farrell, Director of the School of Kinesiology.)
Requirements Five Year Program Total enrolment in the Co-operative Education Program option is limited and the total number of students admitted is based in part on projected co-op employment opportunities. Students interested in pursuing the Co-operative Education Program option must apply on a Request for Program Change Form through the Office of Academic Advising by November 30th of Year 2 or Year 3 of the Honours Bachelor of Kinesiology program. In addition, the application must include the completion of an essay indicating applicable past experience and a statement of interest, and a Co-op Work Term Application Form (which is available in Career & Co-operative Education Services). For further information related to the Application Process, see Admission Requirements, II Requirements for Admission to Undergraduate Degree Programs, Co-operative Education Programs.	Requirements Five Year Program Total enrolment in the Co-operative Education Program (<i>Co-op</i>)option is limited and the total number of students admitted is based in part on projected co-op employment opportunities. Students- <i>IncomingSs</i> students interested in pursuing the Co-operative-operative Education Program option <i>may directly select the Co-operative Education Program when completing their application to Kinesiology at Lakehead University.</i> must apply on a Request for Program Change Form through the Office of Academic Advising by November 30th of Year 2 or Year 3 of the Honours Bachelor of Kinesiology program. In addition <i>All students interested in participating in the Co-op program option are required to complete a formal Co-op program , the application and a Co-op Work Term Application Form (available in the Student Success</i>

Applicants who meet the minimum academic admission requirements as indicated below following the fall term examination period will be reviewed by the Kinesiology Co-op Admissions Committee.

(a) HBK students who have completed Year 1 or Year 2 of the HBK program.

(b) HBK students who have achieved a minimum of 75% cumulative average in all Kinesiology courses, and a minimum of 65% cumulative overall average. Admission decisions will be made by January 21st of the winter term preceding the summer work term. Students admitted to the co-op program are required to maintain a current police record check and standard first aid and CPR-C certification. Evidence of these documents must be submitted to the Kinesiology Co-op Advisor each year prior to the end of February.

In addition to the successful completion of each work term placement, continuation in the Co-op option will be contingent upon maintaining a minimum of 75% cumulative average in all Kinesiology courses, and a minimum of 65% cumulative overall average, assessed at the end of December of each year.

Graduation from the Co-op option of the Honours Bachelor of Kinesiology program requires, in addition to all academic requirements outlined for the HBK four year program, a minimum of 75% cumulative average in all Kinesiology courses included in the 22 FCEs counted towards the degree, a minimum of 65% cumulative overall average and satisfactory completion of four of Kinesiology 2990, 3990, 4990, 4991, 4992.

Placement Information

The Student Success Centre Coop and Employer Relations Officer, in co-operation with the School of Kinesiology Co-op Advisor and in communication with potential community and work placement partners, will establish the availability of work placements. Each year available work term placement postings will be outlined for the students three months prior to the work term and placements will be categorized and classified as being introductory, intermediate or advanced. The Co-op Work Placement Partner reviews student applications and other pertinent information and ultimately chooses their placement student(s). During this process, employment review information and interviews with placement partners will be organized by the Coop and Employer Relations Officer. Students in the Co-op option are not guaranteed specific work term positions as the application process is competitive.

The student is expected to seek at least two different work term placement locations during the program. The work term experience is assessed on pass/fail grading criteria. Criteria include but are not limited to completion of all required documentation, reports and
