Rationale	Rationale <i>In the 4-year HBSW, SOWK 3501 (3rd year field placement) and 4501 (4th year field placement) have historically been worth 1 FCE each. Our accreditors have always commented that we could make them worth 1.5 FCEs each, and that this would bring us more in line with what other Schools of SW are doing. It will also more fully acknowledge all the time and work involved in the field placement planning process and the integrative seminars.</i>

Additional Resources	Additional Resources <i>Cost: The proposed change has no budgetary implication or workload implication. This is a simple adjustment of the FCE weight of the already-existing field placements (that are organized and evaluated by the Field Coordinator) so that they are each worth 1.5 FCEs rather than 1 FCE.</i>
