1.	Discontinued Course	Outdoor Recreation 1930 - First Year Seminar
----	---------------------	--

Course Details

Outdoor Recreation 1930 - First Year Seminar Start Term: Fall 2012 End Term: F-W 2014-15
--

<u>Course Details</u>
Code Outdoor Recreation 1930
Title First Year Seminar
Description Weekly seminars, field trips or other activities to support the required winter courses in first year.
End Term F-W 2014-15
Institution Lakehead University
Faculty Faculty of Social Sciences and Humanities
CreditWeight 0.0
Rationale <p>In the past, the program had 4 first year courses, two in each term. We developed the 1910 seminar to serve the two Fall courses, who shared the seminar time to provide a variety of field experiences to the students. Now that the program only has one required course in the fall, 1910 no longer make sense as separate non-credit entity – students do not realize that they have to register for 1910, nor do they understand that it is connected to their first year course (OUTD 1150). The content of 1910, remains critical to the program – we are simply changing the 1910 seminar from a required non-credit course that appears unrelated to the required OUTD 1150 course, to a lab component. As such, students will register for the lab and understand that it is connected to their OUTD 1150 course.</p>
