In addition, applicants must submit a curriculum vitae and a statement of goals and intentions for the course of study. An interview may also be required. Admission decisions will be made by the Department of Health Sciences Admission Committee. Preference will be given to applicants who have completed statistics and research methods courses.

In addition to the application documents, applicants to the MHSC must submit a curriculum vitae and a statement of goals and intentions for the course of study. This document must clearly describe the individual's potential research interests, as well as whether or not they intend to specialize in Gerontology.

In addition to the application documents, applicants to the MPH or MPH (Specialization in Nursing) must submit a curriculum vitae and a statement of goals and intentions for the course of study. An interview may also be required. Admission decisions will be made by the Department of Health Sciences Admission Committee. Preference will be given to applicants who have completed statistics and research methods courses.
