JOINT SENATE COMMITTEE FOR NOSM

Report to Lakehead and Laurentian University Senates

From: Joint Senate Committee for NOSM

May 3, 2013

The Academic Council has reviewed and approved the attached Summary and Recommendations at the April 11, 2013 meeting and by way of electronic vote on April 29, 2013 the Joint Senate Committee approved the submission to the Senates.

Background:

Submitted in accordance with the Lakehead University and Laurentian Institutional Quality Assurance Process (IQAP), a single Final Assessment Report and Implementation Plan has been prepared to provide a synthesis of the external program evaluation, NOSM's response, and an approved plan of action. As part of the final institutional reporting requirements, we recommend approval of the Final Assessment Report and Implementation Plan for the NOSM Cyclical program Review.
