

TO: Karen Roche, Secretary of Senate

FROM: Dr. Andrew P. Dean
Chair, Senate Academic Committee

DATE: May 5, 2014

SUBJECT: **Senate Academic Committee Report– May 15, 2014 – Part II**

SAC OAG-C Sub-Committee

The Sub-Committee recommended to the Senate Academic Committee that a recommendation be sent to Senate to approve the recommendation in the SAC/O-AGC report (February 19, 2014). The Senate Academic Committee approved the recommendation and passed a motion referring this to Senate.

RECOMMENDATION: That by the beginning of the 2016/17 academic year, all academic units will have calendared for all of their undergraduate degree programs, a degree requirement of at least one 0.5 FCE course containing at least 50% Indigenous knowledge and/or Aboriginal content. Special consideration on a case by case basis for fulfilling this requirement by a sequence of required courses would be given.

Respectively submitted,

Dr. Andrew P. Dean
Senate Academic Committee Chair
