

Master's Regulations

A graduate student is governed by the general University Regulations section of this Calendar as well as the following regulations, which are specific to graduate students.

GENERAL ADMISSION REQUIREMENTS

Application for admission to a graduate program must be made to the Office of Graduate Studies, Lakehead University by the deadline date of **February 1**. Late applications may be considered for admission, but may not be considered for funding.

Applicants for admission must be graduates of a recognized university, college or institute, and show evidence of scholarly achievement. Except where otherwise stated in the Admission Requirements of a particular program, degree students must have a four year bachelor's degree or its equivalent with at least second class standing (B) based on their last 20 half courses or equivalent.

An applicant holding a degree other than one in the discipline area to which admission is sought will be considered on the basis of courses taken and academic standing. A Qualifying Year at the undergraduate level may be required to meet the admission standards. Courses taken as part of a Qualifying Year can not be used as credit towards a graduate degree.

Applicants applying from a university other than Lakehead University must forward official transcripts of their university record and may be required to take an examination, such as the Graduate Record Examination (GRE).

Meeting the minimum requirements does not necessarily guarantee admission. No candidate will be admitted unless the academic unit recommends admission. All applicants will be advised in writing by the Office of Graduate Studies of their admission status.

ADVANCED STANDING

Master's Regulations

A graduate student is governed by the general University Regulations section of this Calendar as well as the following regulations, which are specific to graduate students.

GENERAL ADMISSION REQUIREMENTS

Application for admission to a graduate program must be made to the **Faculty** of Graduate Studies, Lakehead University by ~~the deadline date of~~ **February 1**. Late applications may be considered for admission, but may not be considered for funding. **As an exception, applications for the Psychology MA and MSc must be made by January 15.**

Applicants for admission must be graduates of a recognized university, college or institute, and show evidence of scholarly achievement. Except where otherwise stated in the Admission Requirements of a particular program, ~~degree students~~ **applicants** must have a four-year bachelor's degree or its equivalent with at least second class standing (B) based on their last 20 half courses or equivalent.

An applicant holding a degree other than one in the discipline area to which admission is sought will be considered on the basis of courses taken and academic standing. A Qualifying Year at the undergraduate level may be required to meet the admission standards. Courses taken as part of a Qualifying Year ~~can not~~ **cannot** be used as credit towards a graduate degree.

Applicants applying from a university other than Lakehead University must forward official transcripts of their university record and may be required to take an examination, such as the Graduate Record Examination (GRE).

Meeting the minimum requirements does not ~~necessarily~~ guarantee admission. No candidate will be admitted unless the academic unit/**program** recommends admission. All applicants will be advised in writing **of their admission** status by the **Faculty** of Graduate Studies ~~of their admission status~~.

With the consent of the academic unit, applicants may be granted Advanced Standing for up to one graduate level full course equivalent. No advanced credit from previous study will be given for undergraduate courses. Courses credited towards a previous degree or Qualifying Year can not be considered for Advanced Standing.

Requests for Advanced Standing must be submitted and approved at the time of admission to the program. To be considered for Advanced Standing, students must submit a formal request to the Office of Graduate Studies, along with the official transcript and institutionally prepared course description(s).

PROFICIENCY IN THE ENGLISH LANGUAGE

The language of instruction at Lakehead University is English. Students whose first language is not English must demonstrate that they can cope with the language demands of an English language university.

Applicants whose native language is not English, and who cannot verify having studied in an English language school system for more than three full years, will be required to present proof of English facility by:

1. Achieving appropriate standing on one of the following tests:

program, unless the student applies for and is granted re-admission to the program.

A graduate student who does not successfully complete a graduate degree within the prescribed Period of Study must apply for re-admission to the program and pay the application fee. The academic regulations and program requirements in effect at the time of re-entry to the academic program shall apply.

WAIVER OF FEES DURING AN APPROVED TIME EXTENSION

Waiver of fees during the period of an approved Time Extension will be granted for exceptional circumstances only, which will include such issues as unavailability of supervision, required courses or resources. Cases will be considered on an individual basis by the Faculty of Graduate Studies Council, normally on the recommendation of the academic unit in which the student is enrolled. At the time of request for a waiver, the Graduate Coordinator must present a plan to the Council outlining how and when the issues will be resolved.

PROGRAM OF STUDY

The requirements of each graduate program are described in sections of the Calendar under the heading for the academic unit. Each student in a graduate program shall comply with any additional requirements of the academic unit in which the student is registered.

The course requirements for the degree will normally be at the fifth-year level. With the approval of the academic unit, a maximum of one full course equivalent at the fourth-year level may be accepted towards the Master's degree, provided the course has not been taken previously. Individual programs of study must be approved by the appropriate academic unit.

When a thesis is required, it will be on a subject approved by the appropriate academic unit upon the recommendation of the Supervisor following consultation with the student.

Each graduate student undertaking a thesis shall

the Faculty of Graduate Studies Council for consideration and final approval.

A graduate student who does not complete all requirements within one of the prescribed Periods of Study and does not receive an approved Time Extension is considered to have failed the program, unless the student applies for and is granted re-admission to the program.

A graduate student who does not successfully complete a graduate degree within the prescribed Period of Study must apply for re-admission to the program and pay the application fee. The academic regulations and program requirements in effect at the time of re-entry to the academic program shall apply.

Each graduate student undertaking a thesis shall have the guidance of a Thesis Committee. The Committee is chaired by the Supervisor and consists of at least one other member of the academic unit/**program**. In addition, faculty from cognate academic units/**programs** and other qualified persons from inside or outside the University may be appointed. ~~An adjunct professor may be a Thesis Supervisor or a member of a thesis committee.~~

It is the responsibility of the Thesis Supervisor to ensure that a thesis involving human subjects and/**or** non-human vertebrates ~~are is~~ approved, respectively, by the Senate Research Ethics Board, and/**or** the University Animal Care Committee, **before** a student's research begins. A copy of the approval notice must be **included in the student's file in the Faculty of Graduate Studies.** ~~must be forwarded to the Faculty of Graduate Studies for inclusion in the student's file.~~

Any change to a student's program (e.g. from thesis to course degree, field of specialization, supervisor) must be formally requested on the "Graduate Request for Program Change" form and approved by the Graduate Coordinator and the **Faculty** of Graduate Studies before being submitted to the Office of the Registrar.

GRADING SYSTEM

Course standings in the graduate programs will be reported as follows:

EXAMINATIONS

Graduate students enrolled in courses for credit must take all examinations in those courses. A candidate may be required to take an oral examination during the Master's program.

COMPREHENSIVE EXAMINATIONS

Comprehensive examinations testing the student's knowledge in specified areas are required by some academic units.

SPECIAL EXAMINATIONS

Special examinations are not permitted for students registered in a graduate program.

THESIS EXAMINATION

The Master's thesis will be evaluated by at least two examiners, one of whom must be external to the academic unit/program. Upon receipt of each Examiner's Report a copy must be submitted to the Office of Graduate Studies.

Internal Examiners are appointed following a procedure established by the academic unit/program. An oral defense of the thesis may be required as part of the internal examination.

The **External Examiner** is recommended by the student's Thesis Committee and approved by the academic unit. Following the approval of the External Examiner, a completed thesis is submitted by the Supervisor to the Graduate Coordinator. All correspondence with the External Examiner is
