

MEMORANDUM

To: Barbara H. Eccles, Secretary of Senate

From: Dr. Douglas Ivison - Chair, Senate Teaching and Learning Committee

Senate Meeting Date: 13 May 2019

Subject: Senate Teaching and Learning Committee Report

The Senate Teaching and Learning Committee (STLC) met on May 7:

- The Teaching Awards subcommittee recommended recipients for the 2018-19 Teaching Innovation Award and Contribution to Teaching Award. The STLC endorsed the subcommittee's recommendations and forwarded them to the Provost and Vice-President (Academic) for approval.
- The Teaching Awards subcommittee will be reviewing the dossiers for the Distinguished Instructor Award in June, and submitting its recommendation to the STLC at its June meeting.
- The Past Exam Policy Review subcommittee reported that it is continuing to consult on and review the policy. It has a scheduled meeting with student representatives to gather student feedback on the policy. It will submit a report to STLC at its June meeting.
- As required by Senate policy, STLC will initiate a thorough review of Student Feedback on Teaching at Lakehead, including the policy, the survey, and the mechanism for delivering the survey. STLC will establish a subcommittee to conduct the review and will determine the Terms of Reference at its June meeting. The expectation is that STLC will submit a report to Senate in Winter 2020.

Respectfully submitted,

Dr. Douglas Ivison

Chair, Senate Teaching and Learning Committee
