

**Cathy Tuckwell**  
**Elected Member,**  
**Board of Governors**

Cathy Tuckwell was born and raised in Edmonton but has a longstanding affiliation with the Thunder Bay area as her parents grew up in Port Arthur and at Loon Lake where the family still has a camp.

Cathy earned a Bachelor of Arts degree from the University of Alberta and went on to complete the Chartered Financial Analyst Program. She worked in the investment industry for 27 years in various capacities; Analyst, Portfolio Manager and Chief Compliance Officer with experience in high net worth individuals, institutions, mutual fund management and estate and trust administration. During this period, Cathy was also an active volunteer in the industry, serving as President as the Edmonton Society of Financial Analyst, Chair of the Canadian Council of Financial Analysts, Co-Chair of the Canadian Advocacy Council, a member of the Public Awareness Committee for The CFA Institute and most recently as Chair of the Compliance Officer Network for the Portfolio Management Association of Canada.

It has not been all work and no play! Cathy also served as a volunteer with Squash Canada in various capacities including VP High Performance and representative at the Canadian Olympic Committee, and still plays competitive doubles squash. Cathy is thankful to her parents and the Junior League of Edmonton for instilling the importance of effective volunteerism.
