

Brent Sylvester
Lieutenant Governor in Council
Member,
Board of Governors

Brent Sylvester is a successful entrepreneur and business leader in Thunder Bay, Ontario. As a young person growing up in Northwestern Ontario, he was an avid outdoorsman where he spent much of his time exploring the surrounding forests and lakes. Brent's love for nature and the environment would become a driving force throughout his life.

Brent is the founder and CEO of Secure Orbit Inc.; Orbit designs and manufactures new technologies for the perimeter security industry and exports its products across Canada and the United States. Brent also owns and leads a handful of equally successful brands including Northwest Fencing, Lakehead Overhead Door, and ARMA Gate.

Brent is dedicated to his community's learning, safety and enjoyment of our waterways. He has been a proud teacher for the Canadian Power and Sail Squadron and a Unit Leader for the Canadian Coast Guard Auxiliary for many years.
