Section 1

Description of the Proposed Calendar Change:

1. Addition of New course Philosophy 3xxx Philosophy and Psychoanalytic Theory

Rationale of the Proposed Calendar Change(s):
(Corresponding to Section 2 where required)

1

Rationale: The Department of Philosophy continues to offer a wide range of courses that cross traditional boundaries, including a proposed senior-level course on 'philosophy and psychoanalytic theory'. This proposed course would be a half-year offering, designed to attract a wide range of social science and humanities students. It would also better service upper year students more generally. This course lies in the research expertise of a faculty member, and so offers an opportunity to model research culture directly in the classroom. No budgetary implications.
