service/required course(s) in another program?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
11. Do the proposed changes include change in course(s) which is/are open elective available to any student in any program?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
12. Do the proposed changes include change in course(s) which is/are elective in a major i.e. restricted to students in a major?	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
Signatures:	Date approved by faculty council 04/11/2011	

Section 1
Description of the Proposed Calendar Change: Changing prerequisite for Business 2033
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
<p>To make the prerequisite for 2033 consistent with the prerequisites for all other second year business courses. Given the current structure of the Business Program, there is no need to restrict this course to only those who completed the first year of the program. 1513 (Basics of Business Computing) is similar to 1013 (Business Computing), and it has been traditionally taken by both business and non-business LU students. 1513 provides sufficient knowledge to take 2033.</p>

Section 2

Existing Calendar Entries:
(Page reference based on hard copy or URL based on electronic version of calendar)

Proposed Calendar Entries/Addition/ Deletion
-If only addition, specify page number and placement in university calendar
-If only deletion, write Deleted

Business 2033 Management Information Systems

Credit Weight: 0.5

Prerequisite(s): Business 1013 and completion of First Year of the Honours Bachelor of Commerce Program with an overall 60% average

Description:

Provides a broad introduction to the many elements that comprise an information system and briefly explores the underlying information technologies and their impact on business organizations. Emphasis is placed on managers' information needs, the various kinds of support necessary for decision-making, and the functional and strategic implications of information systems for organizations. Through the use of cases, course participants will be expected to demonstrate an awareness of current developments and the ability to identify dominant issues and possible solutions arising from the adoption of new technologies.

Notes:

Students who have taken Business 3033 previously may not take Business 2033 for credit.

Business 2033 Management Information Systems

Credit Weight: 0.5

Prerequisite(s): Business 1013 or Business 1513
