Re: Appointment of Internal Adjunct – Dept. of Health Sciences

The Faculty of Health and Behavioural Sciences Directors Committee has approved the appointment of Dr. Christopher Mushquash as Internal Adjunct in the Department of Health Sciences. The request is for a three-year term.

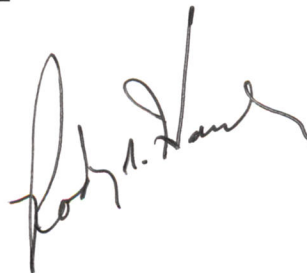

Proposed activities for Dr. Mushquash are outlined in the memo from the academic unit.

We request that this recommendation be put forward to Senate for approval. In accordance with the policy, the required documentation is enclosed.

Thank you.

Lori A. Livingston, Ph.D.
