SECTION 2

Description of proposed Calendar Change:

The regulation covering the third-year program of the HBASc (Anthropology major) is changed to permit more choice.

Rationale of Proposed Calendar Change(s):
(Corresponding to Section 1 and Section 3 where required)

The intention of the old regulation was to ensure that Anthropology HBASc students get a balance of science and arts in their study of Anthropology. However, the third-year choices are limited to a handful of possibilities, some of which are hard to offer in Orillia. Instead, it is proposed that the choices for 3rd year students be expanded to the full set of 3rd and 4th year courses in the Anthropology Department's Science/Arts Credit list.
