Existing under regulation #10:

10. Varsity/Club/Campus Recreation Sports
It is recommended that students participate in varsity, club and/or campus recreation sports throughout the program. For more information about the Athletic program, see University Community/University Life/5. Athletics.

5)

Existing under Coop Program description:

**HONOURS BACHELOR OF KINESIOLOGY
CO-OPERATIVE PROGRAM OPTION**

Students may consider applying to the Co-operative Program option by November 30th of either second or third year. The co-operative option offers the student many benefits including the integration of conceptual learning in the classroom and actual application in the work place further enhancing the meaning and relevance of the learning process. The required work experiences and reports provide the student an enhanced understanding of his/her profession and practice in the work place. Valuable career related experiences and skills are acquired that assist the student in obtaining employment following graduation while also providing paid work terms. Also, the co-op experience helps the student develop personal attributes such as improved oral and written skills, self-confidence, maturity, independence, the ability to accept responsibility and work effectively with others.

6)

Existing under Program of Study:

PROGRAM OF STUDY

The Kinesiology programs cover a broad base of physical movement related courses. The combination of required and elective courses gives the student a wide perspective of the multi-disciplinary nature of physical activity.
