Zone 2: Required Information – Detailed

Proposed Version

Course Description: **An examination of corporate strategy theory and practice including internal and external environments with a view to establishing corporate objectives and formulating corporate strategy. Examines the interactions of environment systems with top management's personal goals and objectives. Focuses on implementation of corporate strategy within a framework of changing corporate values, resources, and accelerating change. Interactive analytical and conceptual.**

REC ✓

Rationale for this proposal: **The addition of this half-course equivalent to third year is part of the proposed program changes to add and shift core business course content to the earlier years of the program. Previously this course content was introduced in the half-course equivalent Business 4371 Strategic Management which is being deleted from the program after the academic year 2015-2016.**
