**Zone 2: Required Information – Detailed**

**Proposed Version**

Course Description: **Students wishing to pursue independent management or research studies within the community may undertake certain projects for academic credit. Proposals for such independent studies would be presented to a review panel of professors in the Faculty of Business Administration and if approved would be assigned to a particular professor or group of professors who will act in a supervisory capacity. Progress seminars of all participants would be required.**

Rationale for this proposal: **This elective course is offered for those students interested in developing research skills preparing them graduate programs in management as well as professional accreditation programs.**
