Zone 2: Required Information – Detailed

Current Version		Proposed Version
Course Description:	Examines the performance of planning, organizing, leadership and control in the context of private and public sector organizations in Canada. The impacts of economic technological, social and political forces upon managers within the Canadian and global environments are considered. Topical coverage includes legal, ethical, and social responsibility issues.	Examines the performance of planning, organizing, leadership and control in the context of private and public sector organizations in Canada. The impacts of economic technological, social and political forces upon managers within the Canadian and global environments are considered. Topical coverage includes legal, ethical, and social responsibility issues.
Rationale for this proposal:		This course title is more consistent with the title of the program major and provides a better description of the course content.
Required or Elective:		<ul style="list-style-type: none"> • Required
