Section 1
Description of the Proposed Calendar Change:
Corrections to Existing Calendar List of Electives for HBEM Conservation Planning Mgmt stream
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
<div style="border: 1px solid black; padding: 5px; width: 50px; display: inline-block;">1</div> <p>This change corrects the list of electives for the Conservation Planning and Management Stream of the Honours Bachelor of Environmental Management. In the original submission, a recommended Geography elective in the fourth year of the program was correctly identified by course name (Water Resources Management) but not by number. The proposed change identifies the correct course number (i.e. GEOG4411) and clarifies that only one 0.5 FCE course from the list is required. Students will be entering the fourth year of the new program in 2012/13 therefore no students are affected detrimentally by this change.</p>
