Section 1

Description of the Proposed Calendar Change:

The English Department has created a new Area C, in addition to existing course groupings, with the requirement that all Honours English students complete at least 1 FCE courses in this Area. This requirement needs to apply to the HBASc English Majors as well. The Area C requirement would be fulfilled as part of the existing course load at either the second, third or fourth year level. As per wording in the English Department HBA calendar entry on page 572, wording for Area C (and Area A, approved previously) will be combined in a sentence at the top of the entry rather than being designated at particular year levels.

Rationale of the Proposed Calendar Change(s):

(Corresponding to Section 2 where required)

Lakehead's mission is to "reflect and serve Aboriginal and other diverse cultures, institutions and organizations as it reaches out regionally, nationally and globally," and the university aims to "promote awareness, understanding and respect for diversity" (Strategic Plan, 2010-2013). According to the Strategic Plan for 2010-2013, "Lakehead University will implement the requirement that all students prior to graduating from Lakehead University take one course from an offering of several courses across the curriculum on awareness and understanding of diverse cultures, with a strong emphasis on Aboriginal interests." (25). This curriculum change will bring our program into line with that expected change and with the English Major in Thunder Bay. Adding this degree requirement will also help English majors to "explain the role of literature in articulating and creating categories of identity" and to "explain how a text is produced by, and produces, its historical and cultural context" (English Website).
