RE: Report of the Senate Nominations Committee for the May, 18th 2012 Senate Meeting

DATE: April 30th, 2012

The calls for Interest to Serve on Senate Standing Committees were received with great enthusiasm by faculty members. Consequently the Committee was able to fill in all the available positions on all Senate committees at its meetings on March 15th and April 5th with the exception of the Senate Undergraduate Studies Committee, which still has one remaining vacancy to be filled. Further efforts will be made to fill the one remaining vacancy in the near future.

Qing-Lai Dang, Chair
Senate Nominations Committee
