Re: Appointment of External Adjunct – Health Sciences

The Faculty of Health and Behavioural Sciences Directors Committee approved the appointment of Dr. Lynn Marshall as External Adjunct in the Department of Health Sciences on October 26, 2011. The recommendation for the appointment is for a three-year term.

Proposed activities for Dr. Marshall are outlined in the memo from the academic unit.

We request that this recommendation be put forward to Senate for approval. In accordance with the policy, the required documentation is enclosed.

Thank you.

Lori A. Livingston, Ph.D.
