Title:	Tensions of Empire	Tensions of Empire
AcademicLevel:	Undergraduate	Undergraduate
CreditWeight:	1.0	1.0

**Zone 2: Required Information – Detailed**

	Current Version	Proposed Version
Course Description:	A seminar course offering an historical perspective of the origins of the problems of constructing states, societies and economies in colonial and post-colonial regions of the world from the 16th to the 20th century. The emphasis is on the nature of imperial activity since the 1500s and the shifting relationships between Western powers and what became known as the "developing world". It is an exploration of the legacy of colonialism, colonization, and neo-colonialism. Title:	Race Relations in Modern Britain	Race Relations in Modern Britain
AcademicLevel:	Undergraduate	Undergraduate
CreditWeight:	1.0	1.0

**Zone 2: Required Information – Detailed**

Current Version		Proposed Version
Course Description:	Britain has long been a nation of immigrants, and its history during the past one hundred and fifty years has demonstrated the social, political, economic, and cultural complexities that have accompanied its growing ethnic diversity. The course content focuses on the experience of those groups whose lives have been most affected by immigration policies, racial politics, notions of an essential British identity, the allocation of the role of 'internal Other' to certain groups, the decolonization process, and racial tensions within communities.	Britain has long been a nation of immigrants, and its history during the past one hundred and fifty years has demonstrated the social, political, economic, and cultural complexities that have accompanied its growing ethnic diversity. The course content focuses on the experience of those groups whose lives have been most affected by immigration policies, racial politics, notions of an essential British identity, the allocation of the role of 'internal Other' to certain groups, the decolonization process, and racial tensions within communities.
Rationale for this proposal:		The change is in response to registration issues and the need to clarify special permission requirements.

Course Description:	
A study of French foreign policy over a century. This seminar course examines the major issues that confronted this major European power in an increasingly difficult international environment and the way it attempted to respond. Among the themes addressed: France's quest for power before 1914; France in the two world wars; its search for security in the interwar period; the influence of imperialism on French global diplomacy; France's effort to recover a great power status after 1945; De Gaulle's foreign policy.
