

Proposed Calendar Change – Business Minor

Question 2

Is a transition plan needed for student in program?

Those Honours Bachelor of Commerce students currently proceeding to complete a Business Minor Program are not required to formally declare this to the Registrar until applying to graduate. Full-time students that declare in 2008/09 that they are applying for a Business Minor when graduating, and have already completed courses in the Business Minor will be permitted to satisfy the minor requirements without achieving a minimum mark of 60% in the courses of the Minor.

All students registering in third year of the Honours Bachelor of Commerce Program in 2008/09 will be notified of the Business Minor Requirement effective September, 2008. Part-time students currently registered in the Honours Bachelor of Commerce Program, who are proceeding and are registered in courses to complete a Business Minor Program, will be permitted to complete the Business Minor without achieving a minimum mark of 60% in the courses of the Minor.
