Section 1

Description of the Proposed Calendar Change:

Mathematics in Primary and Junior Education, Part 2 be created and calendared as EDUC 4726 with the following course description.

This course is designed to deepen teachers' understanding of effective instruction in the primary and junior divisions, as well as the research and mathematical theory underpinning these instructional methods. Opportunities will be provided to develop and implement effective lessons reflective of the new instructional methods and content areas. As a culminating activity, candidates will design and carry out an action research project in the classroom.

Rationale of the Proposed Calendar Change(s):
(Corresponding to Section 2 where required)

This additional qualification course has been developed and will be submitted to the Ontario College of Teachers for initial accreditation. The course must be calendared in order for it to be offered. The course number follows sequentially from the renumbered Part 1 course (EDUC 4725).
