(Corresponding to Section 2 where required)

Acting upon the regulatory recommendations of the Ontario College of Teachers, the Ontario government, under Regulation 342/07, has amended Regulation 184/97, which includes changes to the Additional Qualification program for teachers in Ontario. These changes include new names for some existing Additional Qualifications in order to better reflect the revised content in these areas of specialization. The changes to our current Additional Qualification course names incorporate these new names.
