Section 1
Description of the Proposed Calendar Change: Change in the title of the degree
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
<input type="text"/>
The current title of the degree is HBESc (Environmental Studies and Earth Science Majors). This is confusing. We give a Environmental Science degree and then refer to it as Environmental Studies. At all universities, Environmental Science and Environmental Studies are different degrees with different expectation and learner outcomes. The proposal is to remove the wording in the brackets and re-name the degree as HBESc in Earth Science.
