Section 1
Description of the Proposed Calendar Change: Make changes to requirements for the Minor Program in International Relations
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
1 The Chair of SUSC is reminding everyone that if you have a minor program that does not meet the new requirements, and if you want to continue offering a minor program, you must have the necessary change(s) passed through Senate. Please also note that the Registrar's Office will be asking students who entered in 2007 or later to declare their minor. We will begin tracking minors in Colleague and will be reflected on students' transcripts. Once we code the minors you will be able to retrieve numbers of how many students are in your minor program(s). It is my intention to start requesting the declaration in Nov/Dec with a due date of the last date to add in January (January 14th). I will send notification to the students once we have everything in place and will keep you posted as to what is communicated/deadline dates, etc.
