Section 1

Description of the Proposed Calendar Change:

CHANGE THE SECOND YEAR REQUIREMENTS FOR ALL OUR PROGRAMS.

Rationale of the Proposed Calendar Change(s):

(Corresponding to Section 2 where required)

1

We intend to stop offering Sociology 2911: Social Research Traditions, and replace that required course with Critical Inquiry for Social Thinkers. The new course will better prepare students for more advanced courses in sociological research methods. It is our hope that we will be able to offer the new course in September 2009, in which case we will not also offer Sociology 2911 at the Thunder Bay campus. At this point, however, it is not clear that we will be able to immediately offer the new course, and this is why we would like the calendar to read that students must take either 2911 or the new course.

As well, we do not want to remove Sociology 2911 from the calendar as this course is currently the only sociological methods course offered in Orillia and it is required for the Sociology specialization.
