The Department of Physics recommends the appointment of Dr. Oleg Rubel as an Adjunct Professor.

As an Adjunct Professor with the Department of Physics, Dr. Rubel will supervise or co-supervise graduate or undergraduate students, contribute to other scholarly pursuits of the department, and facilitate the pursuit of independent research. During the Faculty of Science & Environmental Studies Executive meeting on November 20, 2008 the motion that: "Dr. Rubel of the Thunder Bay Regional Research Institute be appointed as an Adjunct Professor with the Department of Physics", was unanimously passed. I confirm the request and support the decision of the Department of Physics to have Dr. Rubel as an Adjunct professor for the four year term of July 2009 to June 2013.
