**Date:** November 25, 2008

**To:** Dr. Laurie Hayes  
Vice President (Academic) & Provost

**From:** Dr. Andrew P. Dean  
Dean, Faculty of Science & Environmental Studies

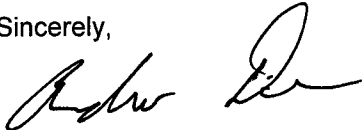

**Subject:** Adjunct Professor Renewal in the Department of Biology

The Department of Biology recommends the renewal appointment of Dr. R. Mackereth as an Adjunct Professor.

As an Adjunct Professor with the Department of Biology, Dr. Mackereth will supervise or co-supervise graduate or undergraduate students, contribute to other scholarly pursuits of the department, and facilitate the pursuit of independent research. During the Faculty of Science & Environmental Studies Executive meeting on November 20, 2008 the motion that: "Dr. R. Mackereth of the Centre for Northern Forest Ecosystem Research have his appointment renewed as an Adjunct Professor with the Department of Biology", was unanimously passed. Mr. Ed Iwachewski on November 5, 2008 provided a statement of support for this appointment as Dr. Mackereth's immediate supervisor.

I confirm the request and support the decision of the Department of Biology to have Dr. Mackereth renewed as an Adjunct professor for the four year term of July 2009 to June 2013.

Sincerely,

Dr. Andrew P. Dean
