To: Dr. Laurie Hayes
Vice President (Academic) & Provost

LAKEHEAD UNIVERSITY

From: Dr. Andrew P. Dean
Dean, Faculty of Science & Environmental Studies

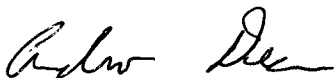

Subject: Adjunct Professor in the Department of Geography

The Department of Geography recommends the appointment of Dr. Mitchell Taylor as an Adjunct Professor.

As an Adjunct Professor with the Department of Geography, Dr. Taylor will supervise or co-supervise graduate or undergraduate students, contribute to other scholarly pursuits of the department, and facilitate the pursuit of independent research. During the Faculty of Science & Environmental Studies Executive meeting on January 8, 2009 the motion that: "Dr. Mitchell Taylor be appointed as an Adjunct Professor with the Department of Geography", was unanimously passed. Dr. Martha Dowsley from the Department of Geography at Lakehead University provided a statement of support for this appointment as Dr. Taylor's immediate supervisor.

I confirm the request and support the decision of the Department of Geography to have Dr. Taylor as an Adjunct professor for the four year term of July 2009 to June 2013.

Sincerely,

Dr. Andrew P. Dean
Dean, Science & Environmental Studies
