

MEMORANDUM

VICE-PRESIDENT
(ACADEMIC) & PROVOST

Date: May 5, 2009

MAY 7 2009

To: Dr. Laurie Hayes
Vice President (Academic) & Provost

LAKEHEAD UNIVERSITY

From: Dr. Andrew P. Dean
Dean, Faculty of Science & Environmental Studies

Subject: Adjunct Professor in the Department of Computer Science

The Department of Computer Science recommends the appointment of Dr. Sylvia Osborn as an Adjunct Professor.

As an Adjunct Professor with the Department of Computer Science, Dr. Osborn will supervise or co-supervise graduate or undergraduate students, contribute to other scholarly pursuits of the department, and facilitate the pursuit of independent research. During the Faculty of Science & Environmental Studies Executive meeting on April 11, 2009 the motion that: "Dr. S. Osborn from the University of Western Ontario be granted an appointment as an Adjunct Professor with the Department of Computer Science", was unanimously passed. Dr. Robert Mercer, Chair of Computer Science at the University of Western Ontario provided a statement of support for this appointment as Dr. Osborn's immediate supervisor.

I confirm the request and support the decision of the Department of Computer Science to have Dr. Osborn as an Adjunct professor for the four year term of July 2009 to June 2013.

Sincerely,

Dr. Andrew P. Dean
Dean, Science & Environmental Studies

recommmend approval

MEMORANDUM

Date: March 22, 2009

To: Dr. Andrew P. Dean, Dean Faculty of Science & Environmental Studies

CC: Dr. Laurie Hayes, Vice-President (Academic) and Provost

From: Dr. M. Benson, Chair Department of Computer Science

Subject: Adjunct Professor Nomination

Please find enclosed the curriculum vitae of Dr. Sylvia Louise Osborn. Our Department nominates Dr. Osborn for the title Adjunct Professor in the Department of Computer Science. Dr. Osborn is currently a research collaborator with two of our department members. The association with Dr. Osborn will provide a connection for our Department to a larger computer science department with a PhD program. This will provide an opportunity for our graduate students to start a formal collaboration while at Lakehead which can potentially lead to PhD work.
