LAKEHEAD UNIVERSITY

The Department of Mathematical Sciences recommends the appointment of Dr. Maria Grazia Viola as an Adjunct Professor.

As an Adjunct Professor with the Department of Mathematical Sciences, Dr. Viola will supervise or co-supervise graduate or undergraduate students, to contribute to other scholarly pursuits of the department, and to facilitate the pursuit of independent research. During the Faculty of Science & Environmental Studies Executive meeting on September 10, 2009 the motion that: "Dr. Maria Grazia Viola be appointed as Adjunct Professor with the Department of Mathematical Sciences", was unanimously passed. Dr. Kim Feddersen, Dean of our Orillia campus, on September 11, 2009 provided a statement of support for this appointment.

I confirm the request and support the decision of the Department of Mathematical Sciences to have Dr. Viola appointed as an Adjunct professor for the four year term of July 2009 to June 2013.

Sincerely,

Dr. Andrew P. Dean
